Dear Welcomed Guests and Partners,

For 122 years, Association House has pursued a mission of providing comprehensive and collaborative programs to meet the needs of our vibrant, multi-cultural community. Together, we ensure health and wellness and create pathways for educational and economic success for thousands in Chicagoland. Serving children in the child welfare system, youth left behind by traditional schools, individuals with mental illnesses and developmental disabilities, and adults seeking gainful careers, we transform lives.

Faces of Hope celebrates the people and the enduring spirit that make this work possible. By bringing together prominent business and civic leaders, philanthropists, and advocates, we are able to raise critical funds to support the effective, bilingual programs Association House is known for.

This year, we are thrilled to gather in-person on Thursday, June 9, 2022 at Lacuna Lofts in the beautiful Pilsen neighborhood, where we proudly offer job training and mental health first aid trainings at the nearby Arturo Velasquez Institute.

As a vital supporter of our mission, we offer a variety of benefits to our sponsors. More information can be found on the following pages. For questions, please contact Lillian Bui, Development Director, or Drew Williams, Donor Relations Coordinator.

We hope you will consider supporting Association House in continuing this essential work in the year ahead.

Sincerely,

Juan Carlos Linares
President & CEO
