

# COVID-19 PROTOCOLS

## BEFORE THE EVENT

### Vaccination

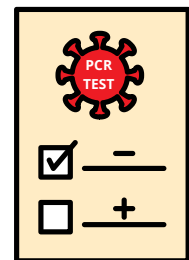

All guests **MUST** provide proof of full COVID-19 vaccination upon arrival or in advance of the event.

### OR

### Negative Test Required

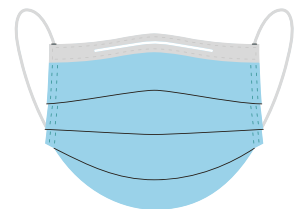

Alternatively, guests may show a negative PCR test result taken within 72 hours in advance of the event. Proof of vaccination or negative test may be emailed in advance or shown at check-in.

## AFTER THE EVENT

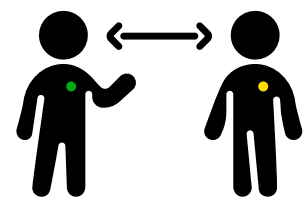

### Masks

We encourage guests to wear masks when not eating or drinking. Association House reserves the right to require masks, should circumstances or guidance from city official change.

### Social Distancing

At check-in, guests will be invited to share their distancing preferences with other guests by selecting a green, yellow, or red sticker to indicate their comfort level, with green indicating someone okay with physical touch and no distancing and red indicating someone who would like to keep distance.

### Event Design

This venue was specifically chosen to allow room for social distancing and outdoor networking. The cocktail hour is being held on an open-air rooftop, and you'll find the program venue has plenty of space. If you would like to request seating in a specific area, please let us know. Hand sanitizer will also be available throughout the event.
