INDEPENDENT AUDITORS' REPORT

Board of Directors
Association House of Chicago
Chicago, Illinois

Report on the Audits of the Financial Statements

Opinion

We have audited the accompanying financial statements of Association House of Chicago, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Association House of Chicago, as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Association House of Chicago and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Association House of Chicago's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

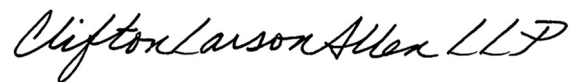

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Association House of Chicago's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Association House of Chicago's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Directors
Association House of Chicago

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 12, 2022, on our consideration of Association House of Chicago's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Association House of Chicago's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Association House of Chicago's internal control over financial reporting and compliance.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

For more than 120 years, Association House of Chicago (the Agency) has worked with Chicagoans who need tools to lead better lives. Today, the Agency is based in the Humboldt Park community and offers programming locally and city-wide to a multicultural, mostly Latino and African-American, population of all ages. The Agency provides immediate assistance and helps participants gain independence through programs across four service areas: child welfare, community health and workforce development, Association House High School, and behavioral health services. These bilingual, evidence-based programs, conducted by seasoned staff in a caring, welcoming environment, give motivated participants a cohesive safety net to turn to throughout life.

Below is a more detailed description of each service area:

Child Welfare Services

A team of professionals protects children in Department of Children and Family Services custody from abuse and neglect and works with families to create safe homes. As the only bilingual foster care provider in the community, our services include child advocacy, parenting education and coaching, home visitation, therapy, and case management. Licensed child welfare staff cares for children affected by trauma, and provides a coordinated network of child-centered, family-focused, and community-based prevention services. We help keep children in their own homes with appropriate support, when possible. We find loving homes through guardianship and adoption, when needed. Intact Family Services prevents the unnecessary separation of children from their families by identifying family problems and risk factors and assisting families in obtaining the education and support they need.

Community Health and Workforce Development

For more than a century, the Agency has opened the doors of opportunity to the community. We offer programs in response to community needs for education, interventions for health issues, and economic improvement, all of which empower individuals to create actionable goals and advance their knowledge, well-being, and financial opportunity. Association House's integrative approach to workforce development helps participants meet their basic needs, while gaining education and developing hard and soft skills to improve their employability and achieve economic stability. We provide access to workforce development opportunities focused on financial careers, digital literacy training, and assistance with resumes and job placement. Staff is also available to offer support for public benefits screening and emergency food assistance. The Community Health focused programs provide direct, community-focused education and services through programs that address persistent health and wellness needs, and implements preventive and intervention strategies to promote physical, social, and emotional well-being. We strive to increase health and wellness at every age by providing health and nutrition education and HIV prevention, education and testing. Staff is certified to provide Youth and Adult Mental Health First Aid training to the community partners and the public.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Nature of Operations (Continued)

Association House High School

For many young people, Association House High School is a better chance to earn a high school diploma. With small class sizes and a focus on individual learning, approximately 90 students find academic success, sometimes for the first time. Mentoring and tutoring services are provided to ensure that students are well-prepared for graduation, and to help create pathways for college, trade school, or viable employment. Additionally, the Family Literacy Program provides on-site child care, early childhood education, and parenting training to parent students. Specialized programming is available for 16-year-olds before, during, and after school to encourage engagement and retention. This year, 33 students graduated from the program, overcoming great odds with hard work and high energy to make their dreams come true. Association House High School operates in collaboration with Youth Connection Charter Schools (YCCS), Alternative Schools Network, and the Chicago Public Schools.

Behavioral Health Services

Caring and dedicated bilingual staff provide an array of culturally competent and pioneering prevention, treatment, residential, and educational services to persons with mental and physical health needs, substance abuse and addictions, and developmental disabilities. Children, youth and adults find the help they deserve and the hope they need. Evidence-based programs enhanced with strong partnerships through research and training institutions are offered in English and Spanish. Highly trained and licensed professional staff, including therapists, a psychiatrist, nurses, certified community educators, case managers, and counselors offer integrated care. Our integrated health services program helps clients find a health-home to address their multiple conditions. A medical professional provides regular, integrated primary and mental health monitoring, medication management, education, and support. We are a leader in innovative juvenile justice and violence prevention initiatives and services, which include case management, school-based counseling, and re-entry services for at-risk and system involved youth.

Basis of Presentation

The financial statements of the Agency have been prepared in conformity with accounting principles generally accepted in the United States of America applicable to nonprofit organizations.

Accounting principles generally accepted in the United States of America establish standards for general purpose external financial statements issued by nonprofit organizations. It requires that net assets and related revenue, expenses, gains, and losses be classified into classes of net assets, based upon the existence or absence of donor-imposed restrictions. A description of the net asset classes applicable to the Agency is as follows:

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (Continued)

Undesignated Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions including the carrying value of all land, buildings, and equipment. Items that increase or decrease this net asset category include amounts received from government agencies, program service fees, and expenses of the Agency. In addition to these exchange transactions, changes in this category of net assets include certain types of philanthropic support, namely contributions without donor restrictions and foundation grants, investment income, restricted contributions and foundation grants whose donor-imposed restrictions were met during the fiscal period.

Board-Designated Net Assets Without Donor Restrictions – The Agency has established a board-designated endowment fund, a portion of which will be available annually to fund board approved projects. The board of directors (board) retains control over the net assets without donor restrictions it has designated.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. These amounts are then reclassified to undesignated net assets without donor restrictions.

The Agency has a \$125,000 donor-restricted cash reserve fund reflected as part of net assets with donor restrictions as of June 30, 2022 and 2021. The donor has stipulated that the \$125,000 and any earnings be maintained in perpetuity. Any amounts drawn from the fund are to be repaid as of the close of the following fiscal year.

Use of Estimates in Preparing Financial Statements

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Agency maintains its cash balances in bank accounts which, at times, may exceed federally insured limits. The Agency has not experienced any losses in such accounts. Management believes that the Agency is not exposed to any significant credit risk on cash.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government Grant Receivables and Other Receivables

Receivables are primarily uncollateralized government obligations stated at the invoice amounts that generally are payable within 30 days of the billing date. Payments of receivables are applied to the specific invoices identified on the funding source's remittance advice, or if unspecified, to the earliest unpaid invoice. Unconditional promises to give cash or property are reported at fair value on the date the pledge is received. The allowance for doubtful accounts for grants and other receivables is based on estimates made by management, historical collection experience, expected future collections, and analysis of individual accounts. If actual amounts collected are lower than management's estimates, the Agency's financial result could be adversely affected. All accounts or portions thereof deemed to be uncollectible or to require an excessive collection cost are written off to the allowance for doubtful accounts. Government Grant Receivables, Net and Other Receivables were \$1,381,412 and \$352,732 at July 1, 2020, respectively.

Investments

Investments with readily determinable fair values and all investments in debt securities are measured at fair value in the statements of financial position. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statements of activities and changes in net assets as increases and decreases in net assets without donor restrictions unless the income or loss is restricted by donor or law. Contributions of securities from donors are initially recorded at fair value at the time the gift is made.

In determining fair value, the Agency uses various valuation approaches within the accounting principles generally accepted in the United States of America fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability.

Accounting principles generally accepted in the United States of America establish a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Accounting principles generally accepted in the United States of America define levels within the hierarchy based on the reliability of inputs as follows:

Level 1 – Valuations based on adjusted quoted prices for identical assets or liabilities in active markets;

Level 2 – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models, and similar techniques not based on market, exchange, dealer, or broker-traded transactions.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Purchases in excess of \$5,000 are capitalized by the Agency. Property and equipment is stated at cost or fair market value at the time of donation, less accumulated depreciation and amortization. Depreciation and amortization is provided on the straight-line method over the estimated useful lives of the assets as follows:

Buildings and Improvements	10 to 25 Years
Furniture and Equipment	3 to 7 Years
Transportation Equipment	3 to 7 Years

Long-Lived Assets

The Agency evaluates its long-lived assets for any events or changes in circumstances which indicate that the carrying amount of such assets may not be fully recoverable. The Agency evaluates the recoverability of long-lived assets by measuring the carrying amount of such assets against the estimated undiscounted future cash flows associated with them. At the time such evaluation indicates that the future undiscounted cash flows of certain long-lived assets are not sufficient to recover the carrying value of such assets, the assets are adjusted to their fair values.

Deferred Bond Costs

Financing costs incurred in connection with the tax-exempt bonds (see Note 6) have been deferred and are being amortized using the straight-line method, which approximates the effective interest method, over the term of the related bonds.

Revenue Recognition

The Agency derives its revenues primarily from government contracts, program service fees, contributions, and donated services. Recognition of revenue for the Agency's most significant revenue streams is as follows:

Government Contracts and Program Service Fees

The Agency receives a significant portion of its operating funds from grants and awards that are primarily exchange transactions. These funds are reported as without donor restricted support as the grants reimburse the Agency for services provided. Government grants received in advance are recorded initially as deferred revenue and are then recognized as revenue as earned, which generally occurs when services are provided and expenses are incurred. Program service fees consists primarily of revenue received from the State of Illinois which is paid based on a contracted rate per day. As this funding is provided under contract from the funders, all of the related revenue is recognized over time as the performance obligations are either performed or satisfied. Funds earned and not yet received generate contract assets, which are included in the accompanying statements of financial position as government grants receivable, net and other receivables, see Note 2. Funds received and not yet earned generate contract liabilities, which are included in the accompanying statements of financial position as other accruals. Contract liabilities at June 30, 2022, 2021, and 2020 are \$198,378, \$342,792, and \$428,232, respectively.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Contributions

Contributions are recognized as revenue when the donor makes a promise to give that is, in substance, unconditional. Contributions received are recorded as with or without donor restricted support depending on the existence and/or nature of donor restrictions. All donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. See Note 7 regarding the forgiveness of the Paycheck Protection Program Loan.

Donated Services

Many individuals volunteer their time and perform a variety of tasks that assist the Agency with specific assistance programs, campaign solicitations, and various committee assignments. No amounts have been reflected in the financial statements for such donated services because they do not meet the criteria for recognition. The Agency records contributions for services requiring specific expertise as defined by accounting principles generally accepted in the United States of America if the service received would have otherwise been incurred by the Agency.

Functional Allocation of Costs

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and categorized by natural classification within the statements of functional expenses. The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Operating expenses directly identified with a functional area are charged to that area and, where those expenses affect more than one area, they are allocated to the respective areas on the basis of ratios estimated by management. Occupancy costs are allocated to programs conducted from the Agency's owned facility based on the actual square footage occupied.

Income Taxes

The Agency is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code. The Agency qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(1). The Agency has determined that it is not required to record a liability related to uncertain tax positions as of June 30, 2022 and 2021.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Liquidity

The Agency's financial assets available for general expenditures within one year of the statement of financial position date are as follows:

	2022	2021
Cash	\$ -	\$ 1,482,382
Receivables	2,113,465	1,532,226
Less: Net Assets Subject to Expenditure for a Specified Purpose	(1,385,646)	(776,583)
Total Financial Assets Available to Meet Cash Needs for General Expenditures Within One Year	\$ 727,819	\$ 2,238,025

To help manage seasonal liquidity needs, the Agency maintains a credit facility in the amount of \$2.5 million, see Note 5.

Additionally, the Agency has board-designated investments of \$14,201,330 and \$17,531,765, as of June 30, 2022 and 2021, respectively, as described in Note 8. Although the Agency does not intend to spend from these funds other than amounts appropriated to support programs and general operations, amounts could be made available if necessary.

Adoption of New Accounting Standard

In September 2020, FASB issued amended guidance for contributed nonfinancial assets, Accounting Standards Update (ASU) No. 2020-07, *Presentation and Disclosure by Not-For-Profit Entities for Contributed Nonfinancial Assets*. The guidance requires the presentation of contributed nonfinancial assets as a separate line item in the statement of activities, disclosure of the disaggregated amount by type and disclosure of qualitative information about whether the contributed nonfinancial assets were monetized or utilized during the reporting period as well as a description of the programs or other activities in which the assets were used. The guidance also requires disclosure of any donor-imposed restrictions and a description of valuation techniques. The adoption of the new guidance in 2022 did not have a significant effect on the presentation or disclosures within the Agency's financial statements.

Pending Accounting Standard

Leases

In February 2016, FASB issued amended guidance for the treatment of leases. The guidance requires lessees to recognize a right-of-use asset and a corresponding lease liability for all operating and finance leases with lease terms greater than one year. The guidance changes the accounting for sale and leaseback transactions to conform to the new revenue recognition standard. The guidance also requires both qualitative and quantitative disclosures regarding the nature of the Agency's leasing activities. The guidance will initially be applied using a modified retrospective approach. The amendments in the guidance are effective for the Agency for the fiscal year ending June 30, 2023.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 2 FEES AND GRANTS FROM GOVERNMENTAL AGENCIES

Included in fees and grants from governmental agencies is \$4,792,900 and \$ 5,739,871 for the years ended June 30, 2022 and 2021, respectively, of revenue received from the state of Illinois Department of Human Services. This represents approximately 41% and 30% of the Agency's total revenues and other support for 2022 and 2021, respectively. Also, included in fees and grants from governmental agencies is \$3,276,831 and \$3,230,657 for the years ended June 30, 2022 and 2021, respectively, of revenue received from the state of Illinois Department of Children and Family Services. This represents approximately 28% and 17% of the Agency's total revenues and other support for 2022 and 2021, respectively.

Grants receivable represent amounts due from various governmental entities for social services provided by reimbursement contracts and purchase of service contracts. The Agency's grants receivable at June 30, 2022 and 2021 included amounts due from all sources as follows:

	<u>2022</u>	<u>2021</u>
Illinois Department of Children and Family Services	\$ 564,345	\$ 422,599
Center for Disease Control	-	108,710
Illinois Department of Human Services	471,385	466,741
Medicaid Managed Care	426,138	310,328
Other	108,676	102,081
Total	<u>1,570,544</u>	<u>1,410,459</u>
Less: Allowance for Doubtful Accounts	<u>(436,024)</u>	<u>(320,333)</u>
Total Government Grants Receivable, Net	<u>\$ 1,134,520</u>	<u>\$ 1,090,126</u>

NOTE 3 INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair values of investments measured on a recurring basis at June 30, 2022 and 2021 are as follows:

	2022				
	<u>Cost</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Fixed Income:					
Mutual Funds	\$ 3,696,023	\$ 3,499,503	\$ 3,499,503	\$ -	\$ -
Equities:					
Domestic	4,245,426	6,383,262	6,383,262	-	-
Mutual Funds - Domestic	2,311,678	3,111,416	3,111,416	-	-
Mutual Funds - International	1,167,662	1,029,887	1,029,887	-	-
Total Assets at Fair Value	<u>11,420,789</u>	<u>14,024,068</u>	<u>\$ 14,024,068</u>	<u>\$ -</u>	<u>\$ -</u>
Cash and Short-Term Investments	177,262	177,262			
Total	<u>\$ 11,598,051</u>	<u>\$ 14,201,330</u>			

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 3 INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

	2021				
	Cost	Total	Level 1	Level 2	Level 3
Fixed Income:					
Mutual Funds	\$ 3,262,039	\$ 3,393,206	\$ 3,393,206	\$ -	\$ -
Equities:					
Domestic	4,393,049	7,997,972	7,997,972	-	-
Mutual Funds - Domestic	2,084,352	3,728,433	3,728,433	-	-
Mutual Funds - International	1,666,611	2,362,776	2,362,776	-	-
Total Assets at Fair Value	11,406,051	17,482,387	<u>\$ 17,482,387</u>	<u>\$ -</u>	<u>\$ -</u>
Cash and Short-Term Investments	49,378	49,378			
Total	<u>\$ 11,455,429</u>	<u>\$ 17,531,765</u>			

Fair value of Level 1 equities, mutual funds, exchange traded funds, and real estate investment trusts is determined by reference to quoted market transactions. Fair value for Level 2 corporate bonds is determined by reference to quoted market transactions in less active markets, such as dealer or broker markets.

Certain of the above investments are held by BMO Harris Bank, N.A. as collateral for a line of credit arrangement (see Note 5).

Investment return from these investments and other interest-bearing accounts is summarized as follows:

	2022	2021
Interest and Dividend Income	\$ 573,566	\$ 297,569
Net Realized and Unrealized Gains (Losses)	(3,678,554)	3,940,033
Investment Fees	(95,447)	(85,310)
Total Investment Returns (Losses)	<u>\$ (3,200,435)</u>	<u>\$ 4,152,292</u>

NOTE 4 PROPERTY AND EQUIPMENT

Property and equipment at June 30 consisted of:

	2022	2021
Land	\$ 615,000	\$ 615,000
Buildings and Improvements	12,272,109	12,211,746
Furniture and Equipment	501,376	501,376
Transportation Equipment	49,573	49,573
Total	13,438,058	13,377,695
Less: Accumulated Depreciation	(10,049,470)	(9,481,053)
Total Property and Equipment	<u>\$ 3,388,588</u>	<u>\$ 3,896,642</u>

The Agency, as landlord, has entered into agreements with other nonprofit organizations to lease space at the facility. Rental income for fiscal years 2022 and 2021 totaled \$93,403 and \$92,929, respectively. These leases are currently on a month-to-month basis.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 5 LINE OF CREDIT

The Agency maintains an agreement with BMO Harris Bank, N.A., which provides a \$2,500,000 revolving line of credit facility, payable on demand. Amounts drawn against the line of credit bear interest at the bank's prime rate plus 0.50%. The prime rate was 4.75% and 3.25% at June 30, 2022 and 2021, respectively.

There were no borrowings under the line of credit agreement at June 30, 2022 and 2021. Any borrowings are secured by certain investments of the Agency held at BMO Harris Bank, N.A.

NOTE 6 BONDS PAYABLE

On April 27, 2016, the Agency issued a Series 2016 Revenue Bond. The proceeds from the Series 2016 Revenue Bond in the amount of \$5,765,000 were used for the following: (a) \$4,649,619 was paid to US Bank, N.A. to repay the Agency's outstanding Series 2007 Revenue Bonds; (b) \$1,000,082 was paid into the Agency's project fund, which is restricted for future capital improvements; (c) \$16,280 in equity contribution was paid by the Agency; and (d) \$131,580 of bond issue costs were paid. These Series 2016 Revenue Bonds are secured by substantially all of the Agency's assets. The bond requires monthly principal installments ranging from \$22,000 to \$36,000, with a final monthly principal payment of \$100,000 due on December 28, 2032, plus interest at 2.812%. The fixed interest rate will reset to reflect market rates in April 2026.

The bond agreements contain certain financial covenants, all of which management believes have been met as of June 30, 2022 and 2021.

	2022	2021
Total Bonds Payable	\$ 3,938,000	\$ 4,256,000
Less: Unamortized Debt Issuance Costs	50,439	63,597
Total, Net of Unamortized Debt Issuance Costs	3,887,561	4,192,403
Less: Current Maturities	326,000	318,000
Total, Long-Term Bonds Payable	<u>\$ 3,561,561</u>	<u>\$ 3,874,403</u>

Future minimum principal payments are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2023	\$ 326,000
2024	336,000
2025	347,000
2026	356,000
2027	366,000
Thereafter	2,207,000
Total	<u>\$ 3,938,000</u>

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 7 PAYCHECK PROTECTION PROGRAM – REFUNDABLE ADVANCE

On April 30, 2020, the Agency received proceeds in the amount of \$1,672,000 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the Paycheck Protection Program (the PPP). The PPP was partially forgiven by the U.S. Small Business Administration (SBA) subject to certain performance barriers, as outlined in the loan agreement and the CARES Act. Therefore, the Agency had classified the PPP as a conditional contribution for accounting purposes. The Agency recognized \$733,164 and \$490,005 of conditional contribution revenue related to this agreement during the years ended June 30, 2021 and 2020, respectively, which represents the portion of the PPP funds for which the performance barriers had been met. As of June 30, 2021, the Agency had received partial forgiveness from the SBA and was required to repay approximately \$450,000 of the PPP proceeds at an interest rate of 1%, which was classified as Paycheck Protection Program Refundable Advance in the 2021 statement of financial position. The repayment agreement was dated July 27, 2021 and called for 9 monthly payments of principal and interest in the amount of \$50,679 beginning on August 30, 2021 and ending on April 30, 2022. The loan was paid in full as of June 30, 2022.

The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Agency's financial position.

NOTE 8 ENDOWMENT FUND

The board's designated endowment fund (the Fund) consists of investments set aside by the board, to be available to fund board approved expenditures. These assets are invested in the Agency's investment portfolio and all accumulations to the endowment are classified as board-designated. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. For the years ended June 30, 2022 and 2021, there were no principal contributions to the Fund.

The Agency's investment policy is to maintain, over the long-term, an investment balance that keeps pace with the purchasing power of the dollar. Annual distributions can be approved by the board for use in operations. No distributions were made in the years ended June 30, 2022 and 2021. The board expects future disbursements to be approximately 3.5% of a three-year moving average of the Fund balance.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 8 ENDOWMENT FUND (CONTINUED)

Return Objectives and Risk Parameters

The finance committee, which oversees the investment portfolio of the Agency with the assistance of the Agency's investment consultants, operates under an investment policy that attempts to provide a predictable stream of income and investment returns. Under these policies, the Fund assets are invested. To obtain the required investment returns on the investment portfolio, a significant portion of the portfolio is invested in equities. The asset allocation emphasizes diversification through the use of mutual funds and a heavy emphasis on large cap equities.

For the years ended June 30, 2022 and 2021, the balance of the Fund was equal to the investments balance. The changes in board-designated endowment net assets for the Agency were as follows for the years ended June 30:

	<u>Without Donor Restrictions</u>	
	<u>2022</u>	<u>2021</u>
Endowment Net Assets - Beginning of Year	\$ 17,531,765	\$ 13,379,473
Investment Return:		
Interest and Dividend Income	573,566	297,569
Realized and Unrealized Gains (Losses), Net of Fees	<u>(3,774,001)</u>	<u>3,854,723</u>
Total Investment Return (Loss)	(3,200,435)	4,152,292
Appropriation of Endowment Assets for Expenditure	<u>(130,000)</u>	-
Endowment Net Assets - End of Year	<u><u>\$ 14,201,330</u></u>	<u><u>\$ 17,531,765</u></u>

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions at June 30 were available for the following purposes or periods:

	<u>2022</u>	<u>2021</u>
Subject to Expenditure for Specified Purpose:		
Workforce Development	\$ 240,000	\$ 210,417
Health and Nutrition	-	22,500
Life Skills Education	-	2,500
Family Literacy	-	10,000
Juvenile Justice	483,688	-
Integrated Health	25,000	24,999

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 10 NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from donor restrictions by incurring costs satisfying the restricted purposes specified by donors or through the satisfaction of time restrictions as follows:

	<u>2022</u>	<u>2021</u>
Time Restrictions	\$ 509,772	\$ 302,363
Various Program Services	821,624	657,352
Total	<u>\$ 1,331,396</u>	<u>\$ 959,715</u>

NOTE 11 EMPLOYEE BENEFIT PLANS

On August 1, 1997, the Agency instituted a qualified 401(k) plan for its employees who meet the age and service requirements as outlined in the plan. For fiscal years ended June 30, 2022 and 2021, the expense recognized for the matching contribution was \$26,983 and \$33,776, respectively.

The Agency's Association House High School, through its relationship with YCCS, is required to contribute to the Chicago Teachers' Pension Fund as required by Chicago Public Schools (CPS). CPS deducts the pension amounts directly from payments made to YCCS, which are reflected as adjustments to YCCS' payments to the Agency. Information pertaining to the arrangement is reflected below:

	<u>2022</u>	<u>2021</u>
Total Pensionable Salaries	\$ 476,735	\$ 466,882
Employees' Contribution Expense Picked Up by Employer (4.5%)	21,453	21,010
Employer's Contribution Expense (11.16%)	53,204	52,104
Less: CPS Deduction Amount of Employer's Pension Expense	<u>(53,204)</u>	<u>(52,104)</u>
Pension True-up Amount	<u>\$ -</u>	<u>\$ -</u>

NOTE 12 COMMITMENTS AND CONTINGENCIES

Operating Leases

The Agency leases office equipment under an agreement that expires in September 2023. Future minimum rental payments are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2023	<u>\$ 8,250</u>

Rent expense for operating leases was \$47,249 and \$48,676 for the years ended June 30, 2022 and 2021, respectively.

**ASSOCIATION HOUSE OF CHICAGO
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 12 COMMITMENTS AND CONTINGENCIES (CONTINUED)

State Funding

The Agency receives a significant portion of its operating revenue and support from agencies of the state of Illinois. Payment rates and reimbursement methodologies for the Agency's programs, funded by the state of Illinois agencies, may be subject to change or modification based on the amount of funding made available to the Agency by the state of Illinois. Should such funding changes occur, they could have an adverse effect on the Agency's revenue and support.

Compliance with Grantor Restrictions

The state and federal grants received by the Agency are subject to audit. Management believes that any disallowance of expenditures under these grants would not be material.

NOTE 13 CASH FLOW DISCLOSURES

Interest paid for the years ended June 30, 2022 and 2021 totaled \$117,381 and \$126,164, respectively.

NOTE 14 SUBSEQUENT EVENTS

Management evaluated subsequent events through December 12, 2022, the date the financial statements were available to be issued. Events or transactions occurring after June 30, 2022, but prior to December 12, 2022 that provided additional evidence about conditions that existed at June 30, 2022, have been recognized in the financial statements for the year ended June 30, 2022. Events or transactions that provided evidence about conditions that did not exist at June 30, 2022, but arose before the financial statements were available to be issued have not been recognized in the financial statements for the year ended June 30, 2022.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Association House of Chicago
Chicago, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Association House of Chicago, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 12, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Association House of Chicago's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Association House of Chicago's internal control. Accordingly, we do not express an opinion on the effectiveness of Association House of Chicago's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

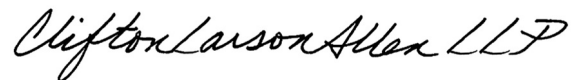

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Association House of Chicago's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
